

EDUCATION

Physics and mathematical school of Tyumen region(21st in RAEX)

Saint-Petersburg State University(61st in QS World University Rankings in Mathematics)

Bachelor of Mathematics and Computer science(GPA: 4.9/5.0)

2020-2024

Completed courses:

- Mathematical Foundations of Algorithms, Theoretical Informatics
- Algebra (includes linear algebra)
- Probability Theory
- Mathematical Analysis, Differential equations, Calculus of Variations
- Mathematical Logic
- Topology, Differential Geometry

Current courses:

- Algebraic Geometry, Commutative Algebra
- Fourier Analysis, Functional Analysis
- and others

SKILLS

Programming Languages – C++, Python

Problem Solving – Olympiad Math, Competitive programming, Olympiad Economics

Teaching – Math, Olympiad Math, Olympiad Economics

General – LaTeX, Basics of SQL

Languages – Russian (Native), English (Upper-Intermediate), French (Beginner)

EXPERIENCE

Huawei Russian Research Institute (Cloud Gaming team)

Data Scientist

Saint-Petersburg, Russia

2022.07 — present

Physics and mathematical school of Tyumen region

Teacher of olympiad math

Tyumen, Russia (online)

2020.07 — 2022.05

Sirius' October math program

Teacher

Sochi, Russia

2021.10

Regional stage of All-Russian National Olympiads in Mathematics and Economics

Jury member

Tyumen, Russia

2021 and 2022

ACHIEVEMENTS

- Final stage of The All-Russian National Olympiad in Informatics – Prize winner 2020,
- Final stage of The All-Russian National Olympiad in Mathematics – Prize winner 2020, [Prize winner 2019](#), [Prize winner 2018](#)
- Final stage of The All-Russian National Olympiad in Economics – Prize winner 2020, [Prize winner 2019](#), [1st place 2018](#)
- The International Zhautykov Olympiad in Mathematics – [Gold Medal 2020](#)
- Regional stage of The All-Russian National Olympiads in Economics, Mathematics, Informatics and Chemistry – eight times winner in 2017-2020

OTHER

- Prize-winner in the championship of Tyumen region in intellectual games – 2019
- Prize-winner in the category of young mentors of the "Mentor of the year" in Ural region – 2018
- Champion of the Tyumen region at my age in chess – 2013
- Champion of the Tyumen at my age in chess – 2010
