

EDUCATION

Physics and mathematical school of Tyumen region(21th in RAEX)

Saint-Petersburg State University(61st in QS World University Rankings in Math)

Bachelor of Math and Computer science(GPA: 4.93/5.0)

2020-2024

Completed courses:

- Mathematical Foundations of Algorithms (includes algorithms on graphs, strings; FFT, flows, linear and parallel programming, approximation and randomized algorithms)
- Algebra. Part 1 (includes linear algebra)
- Probability Theory
- Mathematical Analysis. Part 1
- and others

Current courses:

- Theoretical Informatics (formal languages, complexity theory, theory of information)
- Algebra. Part 2
- Mathematical Analysis. Part 2
- and others

SKILLS

Programming Languages – C++, Python

Problem Solving – Olympiad Math, Competitive programming, Olympiad Economics

Teaching – Math, Olympiad Math, Olympiad Economics

General – LaTeX, Basic of SQL, Touch typing (QWERTY and Russian layouts)

Languages – Russian (Native), English (Upper-Intermediate), French (Beginner)

EXPERIENCE

Physics and mathematical school of Tyumen region

Teacher of olympiad math

Tyumen, Russia (online)

2020.07-present

Sirius' october math programm

Teacher

Sochi, Russia

2021.10

Regional stage of All-Russian National Olympiads in Mathematics and Economics

Jury member

Tyumen, Russia

2021 and 2022

ACHIEVEMENTS

- Final stage of The All-Russian National Olympiad in Informatics – Prize winner 2020,
- Final stage of The All-Russian National Olympiad in Mathematics – Prize winner 2020, [Prize winner 2019](#), [Prize winner 2018](#)
- Final stage of The All-Russian National Olympiad in Economics – Prize winner 2020, [Prize winner 2019](#), [1st place 2018](#)
- The International Zhaitykov Olympiad in Math – [Gold Medal 2020](#)
- Regional stage of The All-Russian National Olympiads in Economics, Math, Informatics and Chemistry – eight times winner in 2017-2020

OTHER

- Prize-winner in the championship of Tyumen region in intellectual games – 2019
- Prize-winner in the category of young mentors of the "Mentor of the year" in Ural region – 2018
- Champion of the Tyumen region at my age in chess – 2013
- Champion of the Tyumen at my age in chess – 2010
